Commentary 

The staff at Valley View hopes our residents have found our publications to be useful and informative. We would like to hear any comments or suggestions you might have to make our news-letter even better. Any resident can submit a commentary to the Office for publication.

BUILDINGS PAINTED We are still in the process of painting our buildings. We hope to be done with this project around the end of April. We are sending out notices to our residents to move their items from their patios. You will be asked to move your cars during this time. We appreciate your patience and cooperation.

Valley View Back Yards

Our staff conducted an inspection of the back yards here at Valley View. We found several yards not trimmed and cluttered with debris. We will be sending a notice to all those residents that have not yet cleaned up their yard. We need to take pride in our community.

Cars

It has been brought to our attention that some of the residents that live at Valley View have been speeding through the complex. Please reduce your speed!. We have many children that live in our community and we must take precautions.
