COMMENTARY

The staff at Valley View hopes our residents have found our publications to be useful and informative. We would like to hear any comments or suggestions you might have to make our news-letter even better. Any resident can submit a commentary to the Office for publication.

BUILDINGS PAINTED

We still hope to be finished painting our buildings around the end of April. The paint chips caused from pressure washing the buildings will be cleaned up as soon as they dry. Thank you for your cooperation and patience.

GARBAGE ISSUES

We have observed that some of our residents have not been putting their garbage in the dumpsters. This practice is causing our community to appear unsightly and cluttered with debris. Any resident that is found to be doing this will be charged a fee of \$25.00 per bag. Please help us take pride in our community.

Stray Cats

We seem to have an issue in our community with many stray cats. "Please do not feed these cats" Any bowls or shelters that are being left outside in the common areas of your apartment will be disposed of by our staff.
