COMMENTARY

The staff at Valley View hopes our residents have found our publications to be useful and informative. We would like to hear any comments or suggestions you might have to make our news-let-ter even bet-ter. Any resident can sub-mit a commentary to the Office for publication.

PETS

Please remember to be respectful of your neighbors by picking up after your pets outside and inside your yards. Also, remember all pets need to be on a lease. Any resident that is in violation of these rules will be fined.

POOL

Pool passes have been distributed to all Valley View residents. It is re-quired that all residents while using our pool have their pool passes with them. Any swimmer not presenting their pass will be asked to go home to get the pass before being allowed to swim. Due to the small size of our pool we are requiring all residents who have guests to check them in at the office.

CARS

We are in the process of putting up speed limit signs. Please observe and obey these signs. They are for the protection of all residents. There are many children playing outside this summer and we need to be concerned for their safety. Thank you for your cooperation.
