COMMENTARY

The staff at Valley View hopes our residents have found our publications to be useful and informative. We would like to hear any comments or suggestions you might have to make our news-letter even better. Any resident can submit a commentary to the Office for publication.

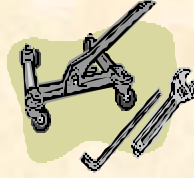

SCHOOL

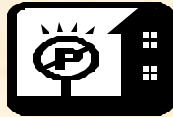

Please remember now that school is starting to be watchful of the children that will be walking to and from the bus stop every day. Also, parents remind your children to be respectful of other residents property while they are waiting for the school bus.

MAINTNANCE

Our maintenance staff would like to thank the residents for their patience and understanding in giving them the time needed to resolve some of the maintenance issues you may be having. Our intent is to address each and every one of these issues as quickly as possible.

PARKING

We are in the process of putting up no parking signs on one side of the street only. Please observe and obey these signs. These signs are being implemented so as to allow emergency vehicles to have access to all buildings on our property. Thank you for your cooperation.
